

The Nicest Kind of Flowers

unknown author

(The child can carry a small or large bouquet behind his or her back. Make the bouquet out of lollipops (or use your imagination).)

I think the nicest kind of flowers
To have on Easter Day
Are just a big bouquet of smiles
That you can give away!
I have some here I brought for you,-
Will you have just one or two?

(Once the child finishes the speech, he or she will walk to the audience and pass out the treats from their bouquet)
